1,000 northwest guns, flint lock
200 " percussion lock.
Proposals will be received for the delivery of said goods at Boston
New York, Philadelphia, Baltimers, New Orleans, St. Louis, Memphis
or Cincinnati; but in considering the bids, the cost of the transports
tion of the same to their respective destinations from the places pro
posed to be delivered will form an element in deciding upon the pro-

the lowest market prices.

Goods of American manufacture, of the required styles and quality, will be preferred; but as the samples of blankets and cloths are foreign fabrics, it will be necessary, in proposing a domestic article of either of those kinds, that a sample thereof shall accompany the

either of those kinds, that a sample thereof shall accompany the bid.

The articles to be furnished must, in all respects, conform to and be qual with the samples recently selected, which may be seen at this office. They will be rigidly inspected and compared with those samples by an agent or agents appointed for that purpose. Such as may be unequal thereto in any particular will be rejected; in which case the contractor will be bound to furnish others of the required kind or quality within three days, or, if that be not done, they will be purchased at his expense. Payment will be made for the goods received on invoices thereof, certified by the agent or agents appointed to inspect them.

It will be understood that all hids for furnishing the goods above specified may be rejected at the option of the department, particularly if made by one who is not known as a manufacturer of, or regular dealer in, the article proposed to be furnished; which fact, or the reverse, must be distinctly stated in the bids offered, and that the bids of all persons who may have failed to comply with the conditions of any contracts they may have previously entered into with the United States shall, at the option of the department, be rejected, in accordance with the letter and spirit of a joint resolution of Congress relative to bids for provisions, clothing, &c., for the use of the navy, approved 27th March, 1854.

Bonds will be required in the amount of the bid for the faithful performance of the contract, with two or more sureties, whose sufficiency must be certified by a United States judge or district nitorney.

The proposals must embrace the articles, with the quantities there.

formance of the contract, with two or more sureties, whose sufficiency must be certified by a United States judge or district nationary.

The proposals must embrace the articles, with the quantities thereof, as they are arranged in the foregoing schedule, with the prices annaxed to cach, in dollars and cents, at which they will be furnished, and the amounts must be carried out and feeted up for each class. They should be subscitted with the following beading:

"I [or we] hereby propose to Turnish for the service of the Indian department, and according to the terms of its advertisement therefor, dated October 18th, 1857, the following articles, at the prices thereto, affixed, (here insert the list according to the class or classes proposed for,) deliverable in the six according to the class or classes proposed for, deliverable in the six following articles, at the prices thereto, affixed, there insert the list according to the class or classes proposed for, deliverable in the six of 1884000, New York, Philadelphia, Baltimore, New Orleans, St. Louiz, Memphis, or Cheinnati, as the case may be by the first day of April next, or at such time or times during the year 1858 as may be ordered by the Commissioner of Indian Affairs; and I [or we] will also forfish, at the same prices, such additional quantiles of the same kinds and quantiles of the same kinds and quantiles of the same kinds and quantiles for the service of the Indian department during the year 1858, deliverable as above stated; and if this proposal be accepted, here insert the words, in whole or in part, if more than one class be proposed for, I I or w [will, within twenty days thereafter, execute a contract accordingly, and give, security, satisfactory to the Commissioner of Indian Affairs, for the failtful performance of the same." [Here insert whether the party proposing is or is not a manufactorer or regular feedier in the article proposed to be furnished.]

Each proposal must also be accompanied by a guarantee, in the following form, to be signed by

"I [or we] hereby guaranty that the above bidder, for hidders,] if a contract shall be awarded to him, [or them,] according to his for their] foregoing bid or proposal, will execute a contract, and give necessity for the performance thereor, as prescribed in the advertementation from the contract of the performance of the contract of the performance of he Indians may suffer by reason or many and bidder, (or bidders, (or b

Washington Aqueduct.

DROPOSALS are invited for materials and work s, profiles, and specifications of the materials and work to be ready for examination at this office on and after the 20t

nected with the reservoirs, 12 inch fro a family gate fromes, bricks, sand, rubble, and cut asons, &x.

For the particular works and materials reference is finade to the specifications and plans.

As upon a portion of the fine the littles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portlaus only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be aubject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation and beinging will sufficiently, to decide when and what works shall be stopped until funds become available.

La case left the entire stoppage of any particular work for want of fastes, the reserved ten per cent, will be paid, if, in, the judgment of the engineer, the work has been properly executed so far as it has gone.

erans on the washington Aqueunct.
The United States reserves the right to reject any or all the bids
hould they not be deemed advantageous, and to make such arrangeneuts as may be considered most conductive to the progress of the
vork.

iarautee.
Bids will be opened in presence of bidders, if any of them choose to present.

M. C. MEEGS,
Capt. of Engineers, in charge.

Thereby certify that, to the best of my knowledge and belief, the thove-assed guarantors are good and sufficient.

Jan 17—dtf

COMPLETION of Panama Railroad.—Reduction of fare to California.—United States mail steamships leave New York for Aspinwall on the 5th and 20th of each month, connecting with mult steamers from Panama to San Francisco.

These steamships have been inspected and approved by the Navy Department, and guaranty speed and safety.

The Panama railroad (47 miles long) is now completed from ocean to ocean, and is crossed in 3 or 4 hours. The baggage of passengers are schecked in New York through to San Francisco, and passengers are smbarked at Panama by steamer at the company's expense. The money paid in New York covers all expenses of the trip.

Reserve steamers are kept in port in New York, Panama, and San Francisco, to prevent detention in case of accident, so that the route is entirely retainle.

Francesco, to prevent detention in case of accusent, so that the route is entirely reliable.

Passengers leave Panama the same day they arrive at Aspinwall.

Conductors go through by each steamer, and take charge of women and children without other protectors.

For through tickets at the lowest rates apply at the agency, 177 West street, New York, to

May 6—dif

For Kansas and Missouri River.

THE PACIFIC RAILROAD is now running two daily trains between St. Louis and Jefferson city, connecting with the "Lightning Line" of Missouri-river packets, that leaves Jefferson city, daily on the arrival of the express train, carrying the mails and passengers for Boneville, Glasgow, Lexington, Kansas, Leavenworth, Weston, St. Joseph, and all intermediate points.

Through from St. Louis to Kansas in 48 hours, and from 24 to 38 hours ahead of boats starting from St. Louis.

The Lightning Line packets are equal to any beats in the trade, and, being required to run on schedule time with the mails, passengers are never delayed waiting for freight, at towns on their way. Through tickets can be purchased in the principal cities of the United States, or at the offices in St. Louis.

May 22—dif

United States Naval Court of Inquiry, Washington, February 26, 1857.

Washington, February 28, 1857.

THE judge advocate gives notice, for the information of parties coming before the court under the ist section of the act of January 16, 1857, that they will respectively be advised by the department when their cases shall have been referred to the court; and that it is desirable that in presenting themselves they should come prepared with a list of such winesses as they may desire to have summoned, specifying to which of the respective heads of "fitness for the naval service" mentioned in the act their testimenty is to applied respectively; and suggesting the delay, if any, which may be required; and in respect of what witnesses.

The Fauquier White Sulphur Springs,

IN VIRGINA, OFFERED FOR SALE TO THE PUBLIC IN LOTS

The Fanquier White Sulphur Springs,

OFFERED FOR SALE TO THE PUBLIC IN LOTS.

THIS property has been held under an act of incorporation since ISSS. The chartered property thet consists of 1,183 je acres of land, in Fanquier county, including the improvements thereon, and was divided thus 2,500 shares, estimated in the charter at \$100 ench. The subscriber having subsequently recognized the property, soid a part thereof, and, there now remain fully slay an hundred acres, together with the bindings cellared and greatly inspected. The mass cashly to soil such a property, and to increase its value, he has laid off the larger portion of the loan fints about 10,000 building lots, with convenient streets, of 60 feet width, raming partial and south, and and west, while a view to the formation of a village or city, to be called "Warrenton Springs." These lots nearly surround the reserved stray-five acres, which include the Sulphur Springs and all the configuous buildings, and improvements. These sixty-five acres, also, are offered for sale, in 2,000 shares, no connection with the lots; the whole 12,500 fets and shares being estimated at \$10 each, and when taken to be partitioned by lot; thous getting the 5,600 shares will constitute the corporation under the amended charter of February 2, 1854, known as the Isaquier White Sulphur Springs Company and those getting the respective lots will receive their deeds from Mr. Re. Hudlyn, a gentleman of the highest character and business qualifications, to whom, as trustee for the purpose, the curre respective has been congressed.

The valuation of this property by the sworn officer of the Commonwealth shows that the buildings alone are worth \$80,000; the assessment per acre is put at \$54. Such property requires more liberal expenditures for the public accommodation than milividinals are able or willing to risk, and the fast that so many will be interested in the success of the Springs, and in building around them, will probably double, immediately after the corporate to the work o

Norg.—1. All the streets are 60 feet whie, and run north and south, eart and west.

2. Each square, in the plan, fronts. 250 feet on streets running east and west, and 220 feet on streets running porth, and couth, and crift its portion of the streets and alley) constains about two neres:

3. No payment of even the \$10 is required till it is asserthined, by the number of subscribers, that a city is to be built; in which event the value must greatly exceed the one.

4. In the portition the 10,000 lots will be represented by tokeas, with the number of square and of lot on each. These tokens will be put in the came vessel with 2,500 similar ones, marked "i share of stock." In another vessel with 2,500 similar ones, marked "i share of stock." In another vessel with 2,500 similar ones, marked "i share of stock." In another vessel subscribers annes will be put, (each name repeated according to the number of shares he may have taken,) and in the drawing, as in the division of large estates smany numerous heirs, each will thus bave an equal chance with any other of getting, a share of syring stock, or the more highly valued lot.

The 2,500 who get the shares of stock will, for the spiregests sum of only \$2,500, get the 65 acres, including the Suphur Syring, the building, (assessed at \$80,000.) and the furniture.

Those who get situable building lots for large hotels may be still more ancreasful, while those least fortunate will get building lets of 25 by 100 feet, that must be worth, as the peoplation increases, much more than the cost.

5. Subscribers, and in surrendering the lists can get assurance of the decis. The payments and the drawing are desired to be at the same time, or the subscribers in the city will receive decised to be at the same time, or the subscriber in this city will receive attention from Aug 1.

Office of Transportation Balltimore and Washington

BY direction of the President and Directors of the road, the understoned gives notice that hereafter only such money as is bankable in the city will be received in payment of freight bills due to the company.
